Please tell us briefly why you are interested in becoming a member of the Paderewski Society Home and whether you would be interested in serving on the Board of Directors.

The Paderewski Society Home was established in 1980 as a not-for-profit corporation in compliance with the Ontario Corporations Act. It is an independent senior living facility that boasts 70 units, including both one and two-bedroom apartments. These units are designed with affordability in mind, offering rent geared to income and accessible options. We offer affordable housing to seniors aged 55 and over, which is subsidized by the Regional Municipality of Niagara and known as Niagara Regional Housing Services.

We are actively seeking volunteers who are interested in becoming members and potentially serving on the Board of Directors. These roles are volunteer opportunities, and no compensation is provided for serving as a member or on the Board of Directors. Membership is open to Canadian citizens residing in the Niagara Region.

Members are occasionally invited to participate in Board Meetings and are entitled to attend the Annual General Membership Meeting, where they may exercise their voting rights if necessary.

Members are also encouraged to volunteer at Board of Directors' events for tenants such as the Canada Day Picnic and Christmas Social.

Residents of Paderewski Society Home are ineligible for membership and for positions on the Board of Directors.

The annual membership fee is \$10.

Membership applications are reviewed during the Board of Directors' meetings.
